GENERAL RA REGIONAL ALL-POSITION

A hard working regional, all-position tire featuring high removal mileage and even, reliable wear.

Tread compounding provides resistance to abrasion, cutting and chipping in demanding regional applications.

The General RA will deliver performance that lowers costs for your business and gives drivers confidence in demanding applications.

Tread compound balances reliable high mileage on highway with the durability needed for more severe conditions.

APPLICATIONS: All-position service in regional hauling, pickup and delivery, and on/off highway

Note - Rim listed first is the measuring rim. Minimum Dual Spacing calculated without chains. # - Exceeding the lawful speed limit is neither recommended nor endorsed. Overall widths will change 0.1 inch (2.5 mm) for each 1/4 inch change in rim width. Minimum dual spacing should be adjusted accordingly. Continental Tire the Americas, LLC. reserves the right to change product specifications at any time without notice or obligations. Please consult rim manufacturers load and inflation limits. Never exceed rim manufacturers limits without permission of component manufacturer.
