

GRABBER™

X3

EXTREME TERRAIN, SYMMETRIC

MAKE ANYWHERE POSSIBLE WITH THE GRABBER™ X3. THIS EXTREME-TERRAIN TIRE DELIVERS EXCEPTIONAL OFF-ROAD PERFORMANCE IN MUD, DIRT AND ROCK COVERED TERRAIN. THE PERFECT FIT FOR LIGHT TRUCKS AND SUVs.

3-Ply DURAGEN™ Technology: Race proven durability and puncture resistance provide driving confidence under the world's most extreme conditions.

High Void Pattern Design: An aggressive open pattern with massive tread blocks delivers extreme off-road traction, with quick and efficient self cleaning evacuation channels.

Sidewall Protection Lugs: Boldly styled protection pads alternate in-and-out for additional side grip during extreme off-roading.

Deflection Ribs: A series of stacked ribs in the upper sidewall deflect obstacles from the tire body to protect against damage and penetration.

Alternating Shoulder Scoops: Aggressive areas of high void expose large grip surfaces on neighboring blocks that provide additional traction in loose, deep and rocky terrain.

Stone Bumpers: Raised protection ribs in groove bottoms, minimize stone retention and drilling for improved puncture resistance.

45

DAY TRIAL
OR THE FIRST 2/32^{nds} OF TREAD

Available in Smooth Red Letter (SRL) and Black Sidewall (BSW). See warranty manual for complete detail on Limited Trial.
